

# Town Hall Meeting: Sports Concussion and Mild Traumatic Brain Injury

March 10, 2011

4:30 p.m. – 6:00 p.m.

Shaw Jewish Community Center of Akron

750 White Pond Dr.

Akron, Oh 44320

(330) 835-0021

Please join The Summit County Traumatic Brain Injury Collaborative and a panel of local experts who will spend time discussing sports concussions in our area: what we are presently doing and what we need to do to assure the brain health of our young athletes. This Town Hall meeting will be held in cooperation with The Sarah Jane Brain Foundation who sponsors the National Pediatric Acquired Brain Injury Plan (PABI Plan), which would create a seamless, standardized, evidence-based system of care that is universally accessible for the millions of American families who have a child with an acquired brain injury.
